Dear Hon. Halpern:

By way of re-introduction, my law firm, MORRIS DUFFY ALONSO FALEY & PITCOFF has been retained to represent defendant Carlisle Cocoa Co., LLC. in the above referenced litigation.

I must also apologize to the Court, as I had mistakenly indicated in the rejected “proposed order” (pacer doc. 29-1) that they parties consented to a magistrate judge, when that was not the case, as it was merely a typo.... To be clear, the parties do not consent to a magistrate judge.

As was previously noted in my letter to Your Honor dated May 26, 2022 (pacer doc 29), I had spoken with plaintiff’s counsel, Michael O’Donnell, and he has agreed to the terms of this proposed Order, as well, and has given his permission to have this proposed Order filed with the Court.

For the Court’s convenience, please note that the only changes which have been made in the proposed Order (as compared to the original Case Discovery plan and Scheduling Order) have been made in “**bold**” type.

It is respectfully requested that the above extensions of time be granted by this Your Honor. I am always available to the extent that Your Honor requires any further information.

Respectfully submitted,
